Rental tradeline sample

This is an example of how your rent will display on your credit report.

Glossary of terms

- 1 Account Name The data furnisher listed on a rental tradeline consists of Transunion Data Corp. (TDC) and the name of the property management firm. TDC is the Transunion company that manages RentBureau.®
- 2 Pay status This reflects the status of the account as of the balance date
- 3 Payment history This covers payment history during the past 25 months, beginning with the month represented by the balance date. The codes reflect the status of the account for each month. "OK" in the payment history grid represents a current (paying as agreed) status.

- 4 Partial account number For rental tradelines, this is an internal identifier used to reference a specific lease.
- 5 Terms For rental tradelines, the terms reported will be "1 month."
- 6 Balance For rental tradelines, this date represents the lease start date or move-in date.
- 7 Date opened For rental tradelines, this date represents the lease start date or move-in date.
- 8 Payment received The dollar amount represents the monthly rent amount the resident paid during the scheduled period.

- 9 Responsibility This describes the resident's association to the account per the Equal Credit Opportunity Act.
- 10 Date Paid This is the date property management reported an update on the account.
- 11 Account Type Rental tradelines are reported as a "Rental" account type.
- **12 Highest Balance –** This field reflects the highest monthly rent amount reported on the lease.
